Agasti Arts, Commerce and Dadasaheb Rupwate Science College, Akole has a vision to provide its services to all stakeholders through an efficient e-Governance. It aims at planning and facilitating any infrastructure for the deployment of cutting-edge applications and solutions for seamless administration of the institute. College has implemented the e-governance in all areas of administration, finance and accounts, student admission and support, examination along with library for efficient functioning of the institute.

1. Policy on e-Governance

The institute is functioning for its academic and administrative services with the principle of participatory management using various modern ICT tools. For ease of administration at various levels in the administrative setup of HEI a policy document on e-governance is framed and efficient services are practiced. E-Governance is largely employed for transparency and accountability in the following key areas. This helps to make the institute visible globally. The web link of HEI is: <https://www.agasticollege.com/> Examples of e-administration includes account, admission, examination and library.

2. Planning and Development

E-governance is the integration of Information and Communication Technology in all aspects in the Governance, Leadership and Management. The circulars/notifications of UGC, SPPU, Pune and DHE are accessed from their respective websites or through email communications by office bearers and administrators. The same information and strategic actions/ information are conveyed to stakeholders through college website, emails and social media such as Whatsapp. College facilitates planning of events and activities through emails and Whatsapp.

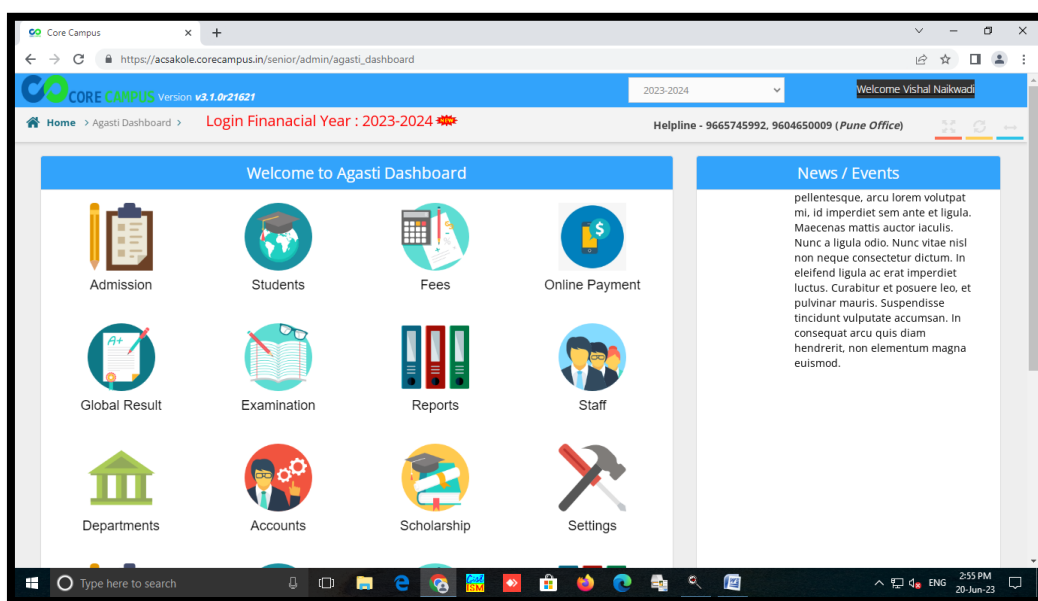

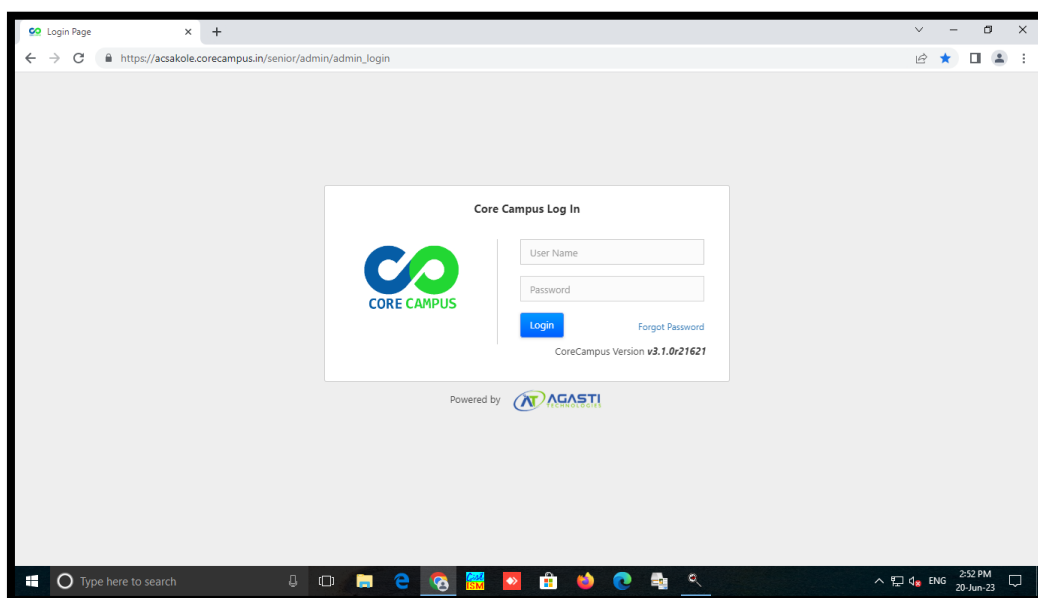

Institute employed the use of Core Campus and Koha software's, Google and social media in its Academic, Administration, Examination, Finance and Account and Library.

3. Administration

A. Administration by Core Campus ERP Software

College has initiated and imbibed a paperless or use of minimum paper work culture across all its services. In context of this, most of the correspondence with the authorities and apex organizations is carried out using email. College has subscription of G-Suite and all academic departments are connected with emails through a domain (<https://www.agasticollege.com/>). The college administration is functioning very smoothly and efficiently using IT integration through e-Administration at large. It is student-centric and helping in timely submissions, generation of reports, issuing certificates, etc. This is an ICT tool, the objective is to introduce total transparency and accountability leading to better e-governance within the college. Outcomes found the improved productivity and performance. The administration carried out by Core Campus ERP software.

C. Administration by Google and social media

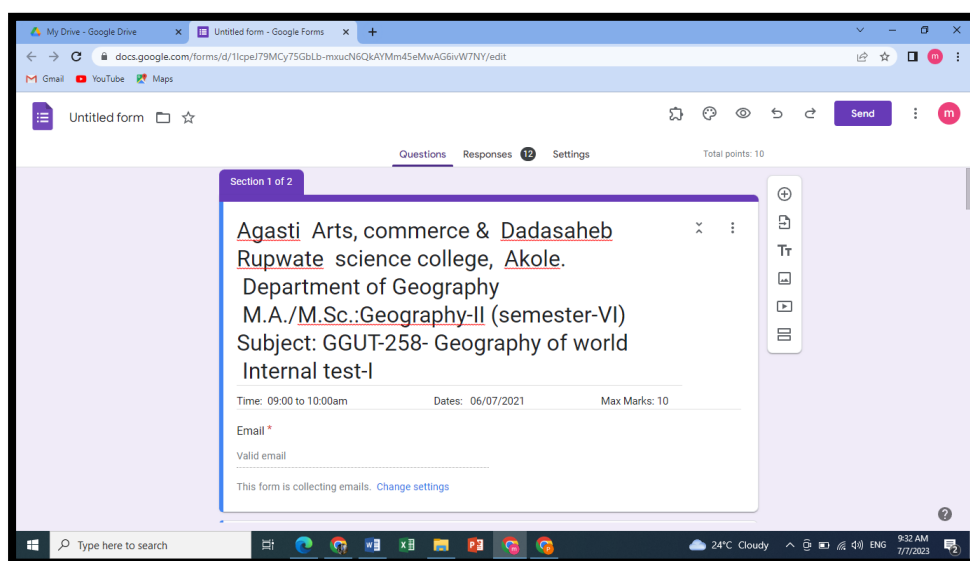

IQAC is involved in imbibing paperless culture and promoting use of e-governance in all areas of academic and administrative services.

To cite as an example, during pandemic of COVID 19 teaching-learning and evaluation activities were conducted online using various tools and software's. One of the most important tools that are largely employed is google. Google classrooms are created, e-contents are developed and uploaded on google classrooms, evaluations are done using google quizzes and test through google classroom.

- ✓ **Google Classroom:** Google classroom for one of the class is presented here. Classroom link: <https://classroom.google.com/?pli=1>

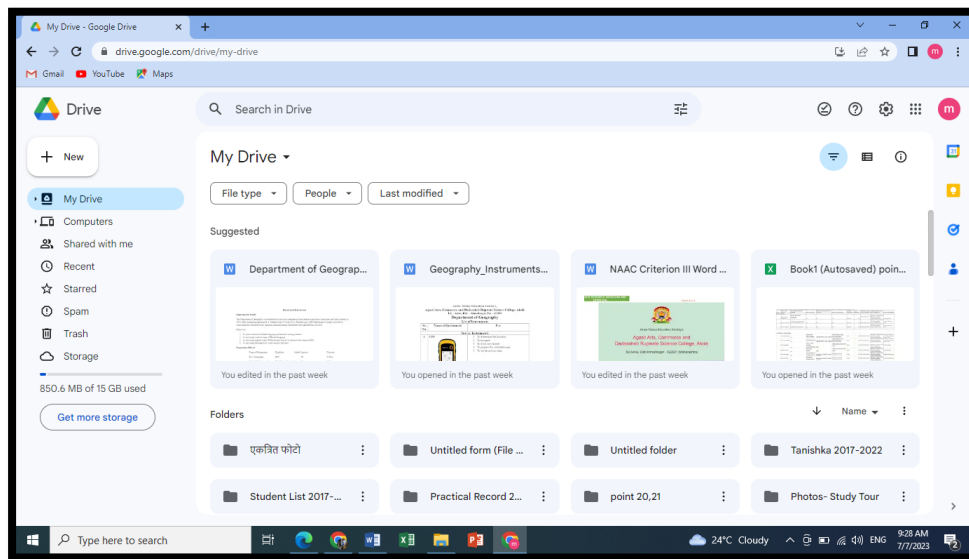

- ✓ **Google Forms:** It is used to conduct online quiz, examination and feedback from various stakeholders
Representative Examination Conducted by Google Form:

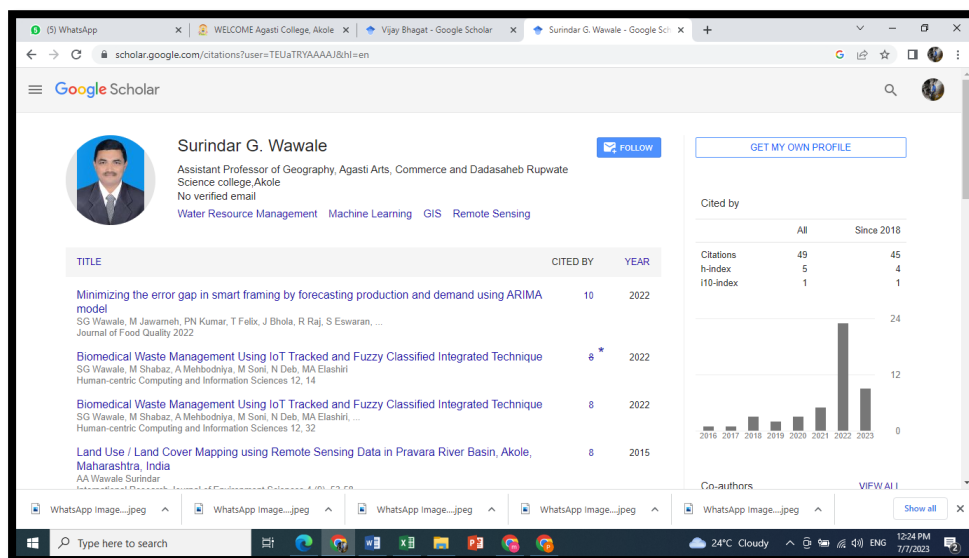

Criterion –VI Governance, Leadership and Management [QIM-6.2.2]

- ✓ **Google Drives:** It used to store the data of activities, reports and information at personnel, department and support services emails/drives.

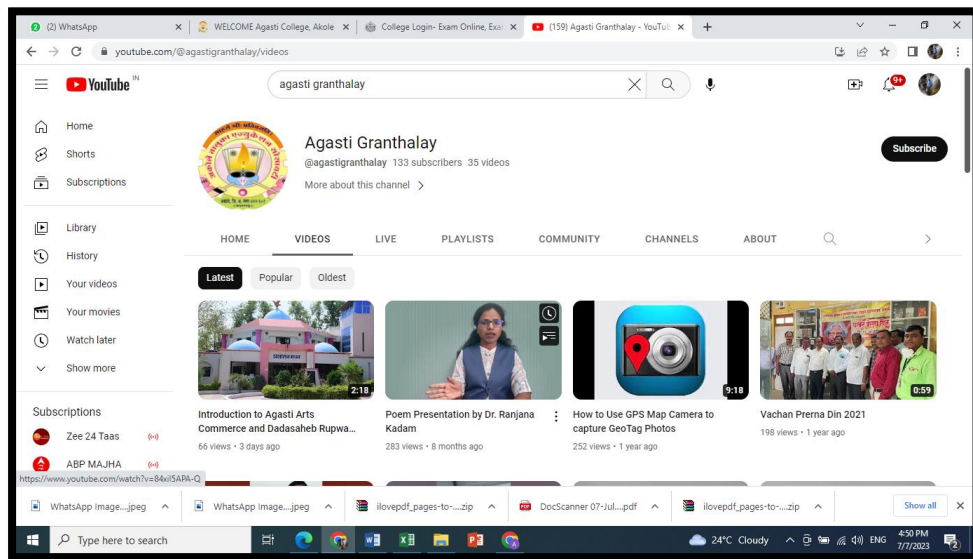

- ✓ **Google Scholars:** It is collection of research articles and search for scholarly literature.

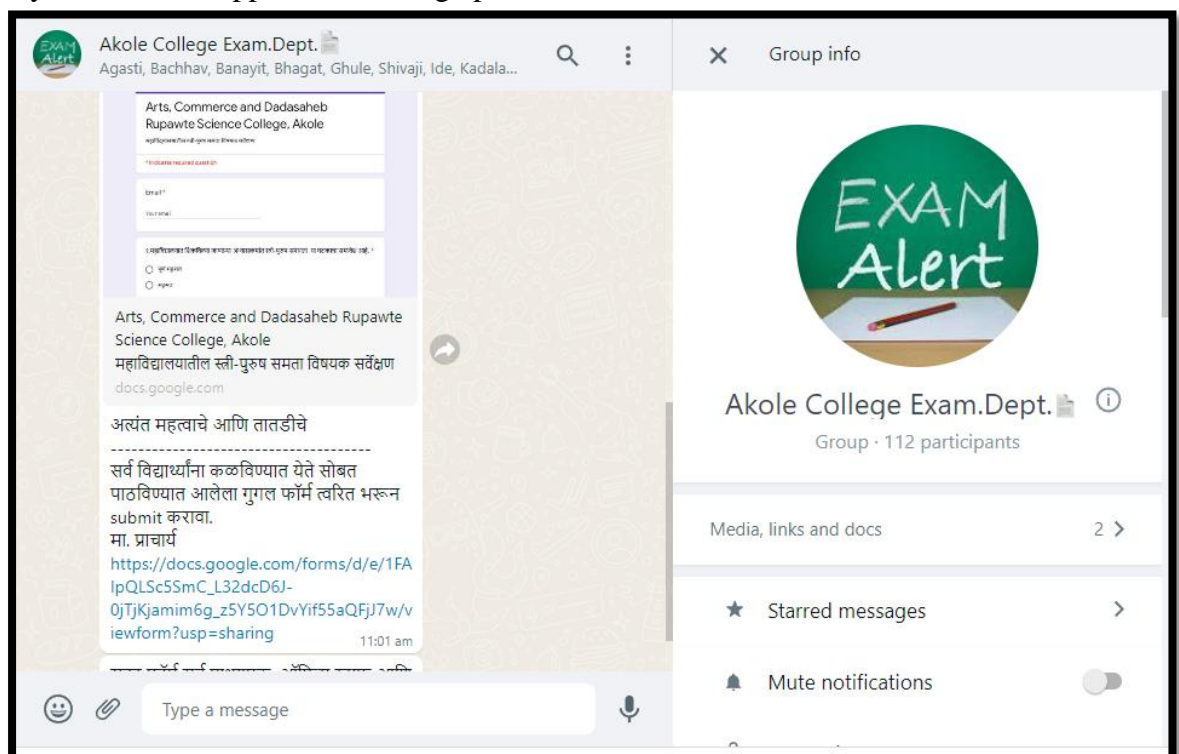

Criterion –VI Governance, Leadership and Management [QIM-6.2.2]

- ✓ **Google You Tube:** College has YouTube channel as ‘Agasti Granthalay’ to publicize the memorable lectures, evets and documentaries A link for the same is as follows:

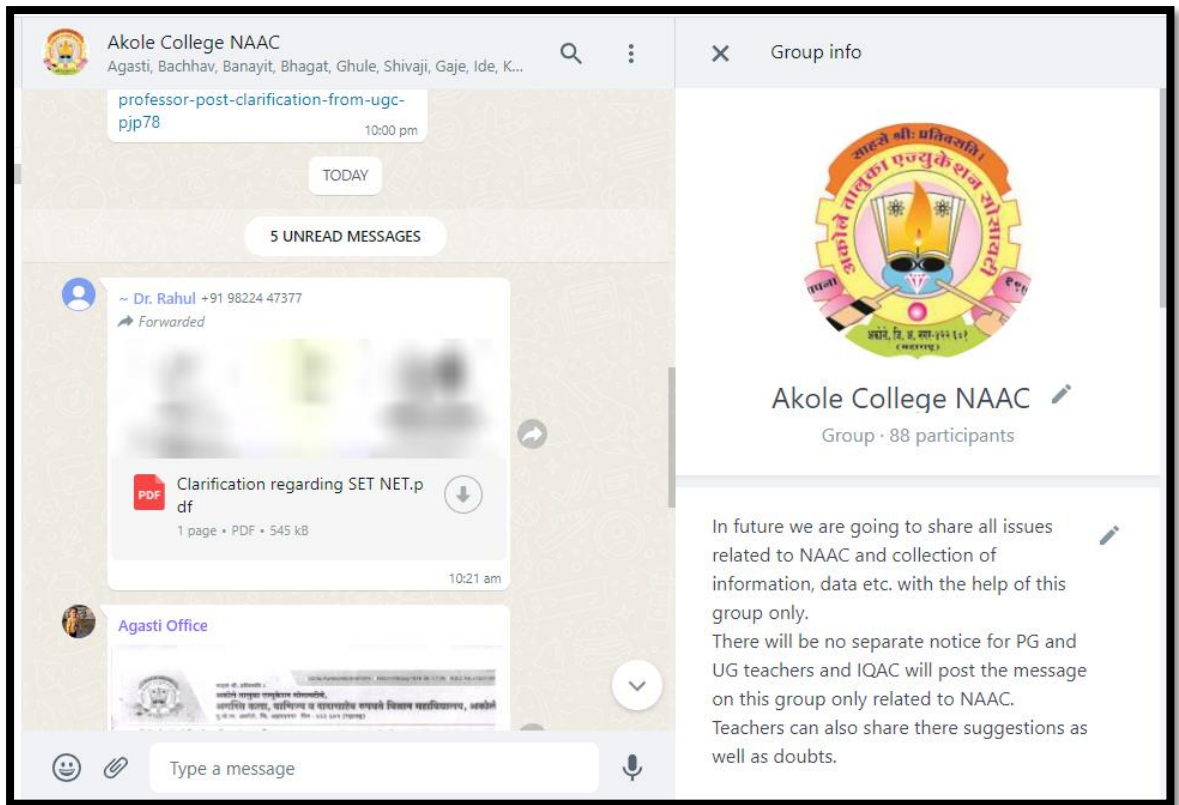

<https://www.youtube.com/@agastigranthalay/videos>

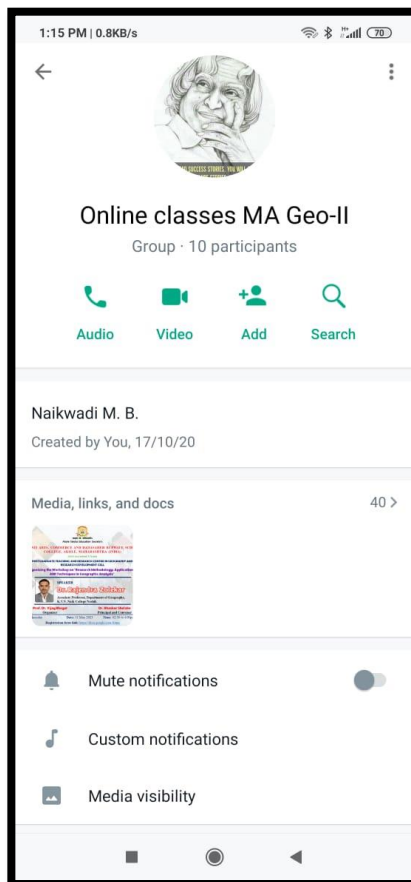

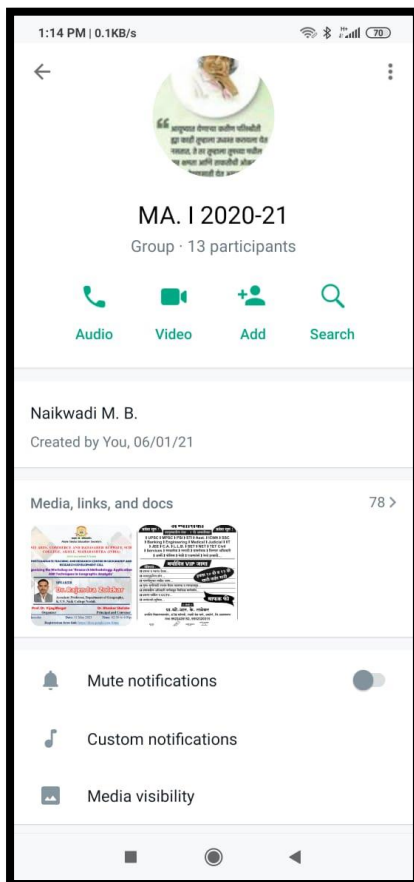

- ✓ **Academic Whatsapp Group:** WhatsApp group ‘Akole College Exam Dept.’ and ‘Akole College NAAC’ created and maintained for ease of communication and to share academic and administrative activity. It helped to provide the brief notices of any event to be happened on college premises.

Criterion –VI Governance, Leadership and Management [QIM-6.2.2]

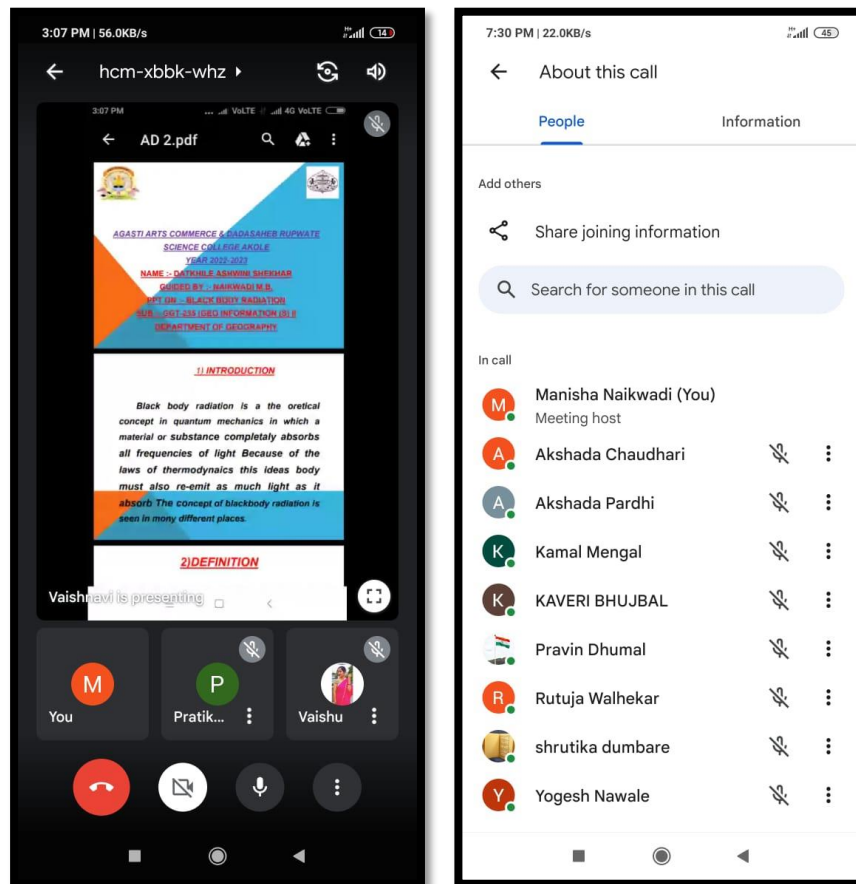

✓ **Class wise WhatsApp Group:** To share the academic information and instructions to the students

Criterion –VI Governance, Leadership and Management [QIM-6.2.2]

- ✓ Use of G-Suit Google Meet: To conduct / organize online lectures, interviews, conferences and seminars

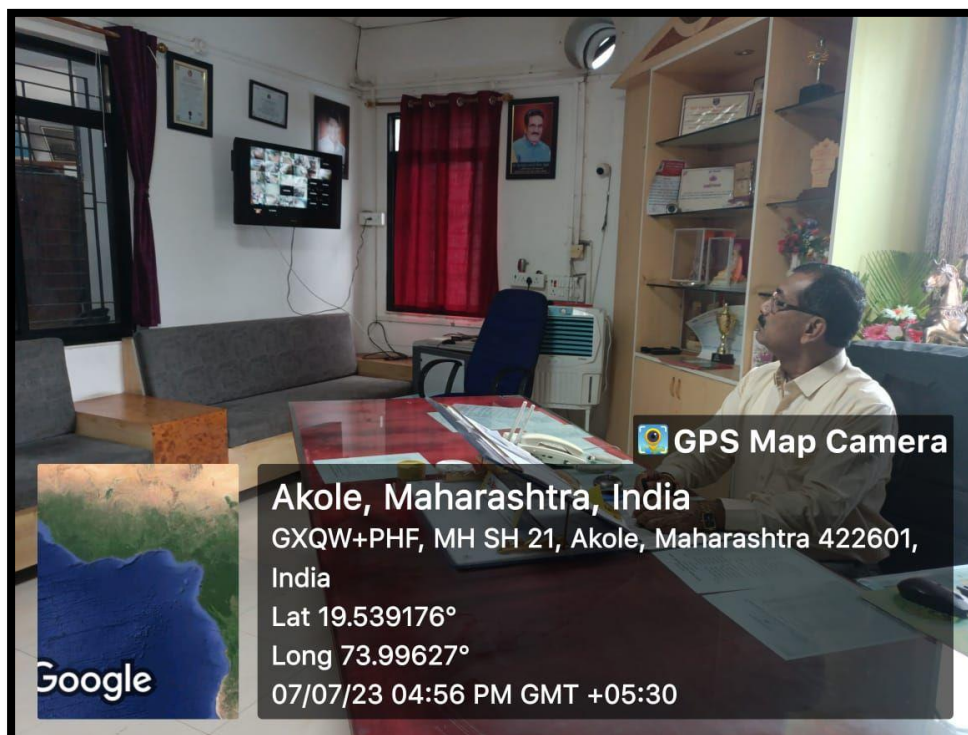

Criterion –VI Governance, Leadership and Management [QIM-6.2.2]

- ✓ **Biometric Attendance:** The College has Biometric attendance for teaching and nonteaching staff

- ✓ The college campus is equipped with number of HikVision's 40 CCTV Cameras installed at various places of need (Illustrated in 6.1.1)

4. E-Governance in Student Admission and Support

During the commencement of academic year, the prospectus guiding the information on courses, programmes, rules and regulations, procedures, policies, scholarships, code of ethical conducts is displayed on college website that can be downloaded by students. Various committees, eligibility of programmes, schedules of admission are also displayed on website that can be easily accessed by anyone, anytime and from anyplace. The website of HEI hosts the link for the admissions through ERP software subscribed by the institute. The students are ought to register on this platform and they are provided with login/student Id and password. They need to apply online to seek admission to a particular programme. Website link for admission:
